Your monthly gift can *transform lives*

Who We Serve, How We Serve

Since December 1989, La Posada Providencia has provided refuge for people in crisis from more than 85 countries who are fleeing persecution, extreme poverty, famine, natural disasters and other life-threatening situations. Many have endured severe hardships, including unjust imprisonment and torture. They arrive at our 24/7 emergency shelter with nothing more than the clothes they are wearing and hope in their pockets.

At La Posada, we provide immediate and tangible support to this vulnerable group in the form of food, shelter, clothing, personal supplies and care.

We also offer individual case management to assess client needs, set goals and facilitate the necessary support services. Services include: English language classes; travel arrangements; legal representation or aid; asylum and work permit applications; court appointment coordination; and transportation to medical, legal and social service appointments. These comprehensive services put clients on the path to cultural integration and self-sufficiency.

Equally important, La Posada fosters a community rooted in social justice where staff is committed to advocating values that ascribe compassion, justice and peace for the individual.

Be a Hero for La Posada

You can be a hero for La Posada Providencia’s clients many times over by joining **Circle of Hope**. You will be amazed how quickly your monthly donations create life-changing outcomes. These are outcomes that directly improve the lives of the people we serve and potentially the communities in which they will eventually resettle.

After you mail your **Circle of Hope** pledge form, if you wish, email a photo of a beloved immigrant relative or friend to: mbolland@lppshelter.org. The photo will be added to the digital photo frame at La Posada where clients, volunteers and visitors can see the many faces of America.

With your support there is no limit to what can be achieved!

A monthly pledge of \$10

can be used to support La Posada’s environmental sustainability practices while also helping clients gain knowledge and skills to begin new lives in our country and to live more sustainably on our planet.

By participating in sustainability practices and teaching moments, clients learn how to compost, recycle, reduce waste and protect the environment.

A larger pledge of \$40 to \$50

can offer new residents a head start to a successful resettlement in the United States through La Posada’s English as a Second Language (ESL) and Life-Skills education. ESL and life-skills lessons complement one another. ESL provides practice in the classroom and life skills integrates language with practical applications.

Your present circumstances don’t determine where you can go; they merely determine where you start.

~ Nido Qubein

And a most generous pledge of \$100

can provide shelter and tangible support for a client with nourishing food, safety, clothing, shoes as well as personal and medical supplies. This pledge also supports a journey kit for the client’s trip to their final resettlement location. The kits include water, snacks, toiletries and a prepaid gift card for food and emergencies.
